

# REVOLUTION<sup>3</sup>

The Triathlon Race Series

A new race designed to take the sport of triathlon to the next level. Our race was created to change the way athletes, family members, and spectators view and participate in triathlons of all distances.

## Rev3 Local Tie-in Charity Donation Program

### Mission Statement

Revolution3 is committed to supporting local charitable & high school organizations with the intention of giving back to the local communities which help us host our races.

### About the Program

Rev3 accepts a limited number of charitable organizations & high school teams/clubs each year to participate in our local charity donation/fundraising program.

In order to be considered, we require the charity/club/church or team, to partner with Rev3 and commit to providing a minimum of 15 volunteers to assist at the race. Volunteer opportunities are varied and can include: aid station support, registration, race course monitoring, or pre/post race jobs.

The charity or team will also be able to promote their cause or goals at the race through tents, signage, enthusiasm and spirit. As an option, the charity or team will also be able to set up a booth at the Rev3 Race Expo. The charity will be paid \$15 for each volunteer provided up to \$1,000.

Non-profits/charity organizations will be required to provide Rev3 with a copy of their 501©3 status. Rev3 realizes that high school teams & clubs are not non-profit organizations, but in the spirit of community service; we also offer this program to youth teams & clubs. Minimum volunteer age is 12; volunteers between the ages of 12 -14 must be accompanied by a parent or guardian. Volunteers between the ages of 12 -18, must have parent or guardian approval.

### How to Apply

Organizations that are located in the Rev3 race area are welcome to apply to the Official Charity Program. Please provide the following information:

- The name, email and phone # of your Team Captain.
- A description of your charity or team that we may post on our website.
- Non-profit organizations are asked to provide a 501(c)3 letter.

Please contact LJ White at [lj@rev3tri.com](mailto:lj@rev3tri.com) to sign up or to find out further information.
